

ANIMAL FINGER PUPPETS FROM SERRA DO JAPI

Goals:

- Present some animals that live in Serra do Japi, awakening enchantment and respect for the local fauna.
- Stimulate body expression and imitation of sounds and movements.
- Encourage curiosity and active listening through images and games.

Suggested activities

1. Who lives in Serra do Japi?

Presentation of some animals that live in Serra do Japi, such as the anteater, owl and puma, using the finger puppets provided.

Name the animals and show their sounds and movements.

2. Miming animals!

Mime / Imitate using sounds and movements:

Flap your wings like a toucan

Crawl like a snake

Climb like a monkey

Pretend to be sleeping like an owl during the day

- Etc...
- Children can freely explore their bodies by imitating animals with the support of the teacher.

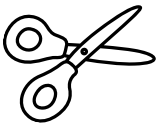

3. Songs and sounds of nature: Sing simple songs about animals. Stimulate listening and bodily response to sounds (dance, silence, movements).
